Sunshine Rare Coins Email Newsletter #10 Post Winter FUN Show Edition!

Welcome to my first email newsletter of 2019. I hope all of you enjoyed the holiday season. Since my last newsletter, I have been busy buying and selling coins, including at the recent Winter FUN Show.

Winter FUN Show Report

I recently returned from the 2019 Winter FUN Show, one of the largest coin shows of the year. The FUN show is always a strong show with large attendance from dealers and collectors. The Orlando location is convenient to get to, and everybody loves the warm Florida weather. This FUN show was packed, with a huge public attendance and many things for collectors to

do, from lectures and educational events to viewing the huge Heritage auction, and walking the massive bourse floor. I had a great show, with good sales and some wonderful new purchases. I searched hard and bought some really beautiful coins at the show, with fresh deals purchased directly from collectors. Since I came back from the show, I have been working hard and have found even more great coins that I have just listed on the website for your perusal.

Heritage FUN Auction

The Heritage FUN auction is always the largest auction of the year, and this year Heritage had a great sale. The highlights included the Weinberg collection of Early US Coinage and another installment from the amazing Greensboro Collection. The Weinberg collection included some amazing Early Copper, including multiple 1793 Wreath & Chain cents along with some incredible 1792 Patterns. A 1793 Chain Cent AMERI. in PCGS MS-64+ CAC sold for \$1.5 Million and a 1792 Silver Center Cent J-1 in PCGS SP-58+ CAC sold for \$750,000. The whole collection was very quality focused, and featured amazing surfaces and originality.

The Greensboro collection featured a spectacular group of Trade Dollars, along with some incredible early proof Bust Dimes and Bust Quarters. A unique 1820 proof Bust Dime graded NGC PR-66 CAC sold for \$156,000 and a pair of 1827 Proof Bust Quarters (Original and Restrike), graded by PCGS as PR-65 and PR-66 CAC respectively, sold for a combined \$612,000. If you haven't already, I would recommend you take a look at the Heritage Platinum Night Catalog as this was a once in a lifetime opportunity to view these amazing coins.

My next major show I will be attending is the Spring Whitman Baltimore Show. It's always a great show in a convenient Northeast location. There is always a large attendance from collectors and dealers. Stack's Bowers always puts on a large Auction with many quality coins..

Please keep checking my website in the next few weeks because I add new coins frequently. If you are looking to sell quality Bust or Seated coins or have anything that you might want to consign to me - please contact me. Also, please let me know if you have any coins on your want list that I can help you find - not all of my coins make the website. I have a growing number of collectors who give me want lists so I can help them find that special coin.

I also set up at the Parsippany, NJ Show almost every month. It's the first Sunday of the month and it's always a fun one day local show with good public attendance.

I have just added a large group of choice NEWPS to the website from the Orlando FUN show including some premium quality Bust and Seated coins across all price ranges.

Please visit my website below to see my full inventory, and email me at davidbsunshine@yahoo.com if you see anything of interest.
